

YOUR TRUSTED PARTNER IN

Precision Mechanical Parts Manufacturing & Fabrication

Precision Machining | Die Punch | Prototyping | Assembly Services

The background of the lower half of the page is a collage of industrial images, including a CNC machine, a welding process with bright sparks, and a close-up of a mechanical part. The images are framed by large, white, circular and semi-circular cutouts that overlap each other. A yellow circle is also present, containing text.

Tailored Solutions
for your unique needs.

A circular badge with a dark blue background. The text 'QUALITY & EXPERIENCE' is written in a small, white, sans-serif font along the top inner edge of the circle. In the center, the number '30' is written in a large, bold, yellow sans-serif font, with the word 'YEARS' in a smaller, bold, yellow sans-serif font directly below it.

Services

What we are specialized for?

At Yash Engineering, we are committed to delivering high-quality mechanical parts tailored to your specific requirements. With years of experience in the industry, our expertise and state-of-the-art technology enable us to provide customized solutions that meet the highest standards of precision, durability, and efficiency.

CNC Turning

CNC Milling

Cylindrical Grinding

Surface Grinding

Die Punch

Manual Lathe

Manual Milling

Drilling & Tapping

Traub

Jigs

Fixtures

Fabrication & Assembly

ADDITIONAL SERVICES

- EDM sparking
- Wire cutting
- Laser cutting
- Laser marking
- Bending
- Engraving
- Gear cutting
- Anodizing of aluminium
- Black oxidizing
- Deburring of edges
- Pre or post hardening
- Zinc plating
- Electroless nickel plating (ENP)
- Powder coating

About us

Our vision, mission & commitment

VISION

With the vision of building high quality precision machined parts, the company was founded by Mr. Pradeep Govind Rakhade in the 1994.

In the 2017, it expanded to the 'Yash Engineering', led by Mr. Yash Rakhade and focusing on advanced machining techniques like CNC and VMC machines, serving diverse industries across the country including sports guns.

MISSION

Our mission to supply material and services of agreed quality at the right time and at the right cost to attain and maintain business leadership with the aggressive targets.

COMMITMENT

At Yash Engineering, we believe in building long-term partnerships with our clients. Our focus is not just on manufacturing parts but on providing comprehensive solutions that contribute to your success. We are dedicated to innovation, quality, and customer satisfaction.

Production

Customized manufacturing as per client's specifications

Why us?

Why Choose Yash Engineering?

1. CUSTOM SOLUTIONS

We understand that each client has unique needs. Our skilled engineers work closely with you to design and manufacture mechanical parts that precisely match your specifications, ensuring seamless integration with your systems.

2. CUTTING-EDGE TECHNOLOGY

Our manufacturing facility is equipped with the latest machinery and technology, enabling us to produce complex components with unmatched accuracy and consistency. Whether it's small or large-scale production, we deliver with precision every time.

3. QUALITY ASSURANCE

Quality is at the heart of everything we do. We adhere to stringent quality control processes at every stage of production, from material selection to final inspection, ensuring that each part meets or exceeds industry standards.

4. TIMELY DELIVERY

We know how critical time is in your operations. That's why we are committed to delivering your orders on schedule, without compromising on quality. Our efficient production process and reliable supply chain management ensure that you receive your parts when you need them.

5. COMPETITIVE PRICING

At Yash Engineering, we offer high-quality manufacturing services at competitive prices. Our focus on efficiency and continuous improvement allows us to provide cost-effective solutions without sacrificing quality.
